ABOUT US

KMR Educational Society has been dedicated to social service for over two decades, having been established in 2002 as a highly regarded not-for-profit organization.

Since its inception, KMR Educational Society has been actively involved in promoting educational institutions specializing in engineering, management, and pharmacy.

In addition, the organization has a long-standing commitment to supporting deserving individuals through various means such as scholarships, pensions, and grants.

KMR Educational Society is the driving force behind the establishment of Arundathi Institute of Medical Sciences.

ARUNDATHI INSTITUTE OF MEDICAL SCIENCES spans across 25 acres of grassland and comprises a Hospital, Doctor residence, and Nurses residence, with a total built-up area of 3.8 lakh Sqft.

Situated in the Medchal-Malkajgiri District of Telangana, the hospital in DUNDIGAL is conveniently located and easily accessible to both urban and rural residents. The hospital serves as a valuable resource for migrant laborers employed in the nearby industries, providing them with essential healthcare services.

BLOOD BANK

The blood bank at Arundathi Hospital is a lifeline for numerous patients, especially those with thalassemia. It provides a consistent supply of safe and compatible blood components to meet the increasing demand. With a dedicated team of professionals, they ensure rigorous screening and storage protocols. Regular blood donation drives and community engagement activities contribute to a strong and reliable blood supply.

Donating smiles, not just blood
